I am proud to say I kept my promises

I promised to relieve school overcrowding

- ✓ We have created 21,000 new classroom seats in south Miami-Dade and a total of 60,000 new classroom seats throughout the district.
- ✓ We have built 7 brand new schools and 21 modular school buildings in south Miami-Dade, which has virtually eliminated overcrowding.

I promised to improve academic achievement

- ✓ Our students are finally testing above the national average and FCAT scores have increased each of the last four years.
- ✓ We established gifted programs in every south Miami-Dade school and increased participation in Advanced Placement classes.
- ✓ I led the Autism Taskforce that created a roadmap for better services for our students with special needs.
